

# 10kW outdoor telecom cabinet product quality

What is an outdoor Telecom cabinet?

An outdoor telecom cabinet protects the cables and equipment that process and reroute information for our communication needs via the internet, television, and other applications. These enclosures include organizing racks and thermal management systems, among other features. What is a fiber cabinet?

Are KDM's outdoor Telecom cabinets IP65 rated?

IP65 is one of the ratings for KDM's outdoor telecom cabinets. Outdoor telecom cabinets are often rated with IP65 and up, or 4/4X and up. There are 3-4 main signs that are common on outdoor telecom enclosures, but there are also 3 different levels of warning that are used in conjunction with symbols.

What are outdoor telecom enclosures?

Outdoor telecom enclosures are structures designed to protect and house telecommunications equipment outside. They come with a range of options including cable management, thermal management, environmental protection, and integration. All these solutions and enclosure products can be custom-made. KDM relies on custom and standard NEMA standard telecom cabinets to protect their internal equipment.

What accessories are included in an outdoor Telecom cabinet?

An outdoor telecom cabinet from KDM includes enclosure fans and power options. Depending upon the installation location, KDM also offers an optional built-in air conditioner or heat exchanger.
