

It is ideal for a domestic installation. The ANTARIS wind turbine is a wind energy system that is ideally suited to inland sites. It is designed specifically for feeding power into the grid, charging batteries (24 ...

The Proven 2.5 produces 2.5kW of electricity. This can meet the power needs of a standard three-bedroom home, excluding heating. Any excess energy production can be stored or exported to the ...

ZONHAN is a professional manufacturer of small wind turbines in China. We are committed to wind power an eco friendly industry. Wind turbines produce no pollution and by using wind power it will ...

Technical data ANTARIS 2.5 kW Generator Permanent magnet rotor, brushless, gearless, maintenance-free High efficiency due to extremely strong permanent magnets (NdFeBo permanent magnets, ...

A 2.5 kW horizontal axis wind turbine is a wind energy conversion system designed to produce 2.5 kilowatts of electrical power. It features a horizontal rotor shaft, which is aligned parallel to the ...

Our ANTARIS small wind turbines, available in power classes of 2.5 kW, 3.5 kW, 5.5 kW, 7.5 kW, and 12.0 kW, offer the ideal solution for sustainable energy generation right at your home or in your garden.

The 2.5 MW wind turbine can be equipped with various towers resulting in hub heights of 100 meter, 85 meter and 75 meter (50 Hz only), meeting potential tip height constraints and ...

Nominal Output: The turbine has a rated power output of 2.5 kW, making it suitable for generating electricity for homes and small businesses. Rotor Diameter: It features a rotor diameter of 3.5 ...

Separate rectifier direction of rotation arbitrary. Voltage 0-400 V. Feed-in starts at approx. 125 rpm. Power: 2,700 watts at 380 rpm and 330 VDC evenly rising performance curve. Weight: 30kg. ...

It is ideal for a domestic installation. The ANTARIS wind turbine is a wind energy ...

There are no power data deposited for this turbine. There are no models to this Windturbine. The wind turbine Proven 2.5 is a production of Proven Energy Ltd., a manufacturer from United Kingdom. This ...
