

48V 300Ah rechargeable, lithium drop-in replacement battery that can solve most power source needs. Longer-lasting, more lightweight and safer than lead-acid.

BigBattery offers the best lithium ion batteries for sale on the market today. Explore a wide range of batteries categorized by voltage at Big Battery. Find the perfect power solution for your needs, from ...

Discover how a 48V 300Ah lithium battery? (15kWh LiFePO4) can transform your home energy storage with reliability, efficiency, and long-term savings.

Weighing only 114kg and compactly designed (560*235*700mm), it supports parallel connections up to 15 units (48V 4500Ah max). Backed by a 10-year warranty and CE, RoHs, UN, this battery ensures ...

This 48V 300Ah lithium iron phosphate battery is ideal for various applications, including marine and electric vehicles (EVs). It delivers consistent power and features an LINYI Connector terminal type, ...

This 48V 300Ah lithium iron phosphate battery is perfect for many constant duty applications, including data, communications, long-term energy storage and UPS battery backup systems.

This 48V 300Ah lithium iron phosphate battery is perfect in many different applications, including marine and EV. It maintains a consistent power and is equipped with an LINYI Connector terminal type and ...

The 48V 300Ah lithium battery is a powerful, future-ready solution for medium- to large-scale energy storage systems. It offers consistent performance, long life, and advanced protection in ...

Relion RB48V300 Lithium Ion LiFePO4 Battery ...This 48V 300Ah lithium iron phosphate battery is perfect in many different applications, including marine and EV. It maintains a consistent power ...

Chargex manufactures high-performance lithium ion batteries for solar energy, RVs, marine vessels, electric vehicles, and industrial applications. Long-lasting, lightweight, and reliable power solutions.

48V 300Ah (314Ah) LiFePO4 Lithium Battery with 200A PACE BMS, 16KWh Solar Battery, WiFi&Bluetooth, RS485/CAN, 250A Circuit Breaker, 8000+ Cycles for Off-Grid, Solar System, RV, ...
