

Automatic Telecommunications Energy Storage Cabinet for Oil Platforms

Whether for remote telecom stations, solar hybrid systems, or industrial automation units, we provide fully assembled cabinets with integrated power, cooling, and control systems for plug-and-play deployment.

The project was developed in a Greenfield area with very little telecom infrastructure, and included three offshore platforms and two onshore plants interconnected by pipelines.

Zenitel creates offshore platform communications for your operational crew to stay connected during their everyday operations, especially in hazardous areas. You get integrated solutions to provide ...

Safety designs such as water and electricity separation, three-level fire protection + explosion venting + exhaust, liquid cooling + dehumidification design, all ensure the safety of the energy storage ...

Energy TXO provides secure, resilient telecom solutions for oil & gas, renewables, and carbon capture & storage (CCS). From SCADA network design and offshore connectivity to asset recovery and secure ...

Join us as we explore the challenges faced by offshore platform operators and how the Triol E-Cabinet addresses each one with precision. From low input and output THD, rust resistance, and fire protection to ...

AZE's All-in-One Energy Storage Cabinet & BESS Cabinets offer modular, scalable, and safe energy storage solutions. Featuring lithium-ion batteries, smart BMS, and thermal management, they're ideal for grid-tied, off ...

Telecommunications play an increasingly important role in the industry's efforts to reduce CAPEX and OPEX. As more remote and less accessible reservoirs are developed, high-speed, reliable ...

MGQ Telecom builds robust communication systems for downstream oil and gas, using reliable GAI-Tronics equipment. These systems--PA/GA, intercoms, and emergency networks--serve refineries, plants, and ...

With more than 40 years of experience we provide integrated EPCI communication and IT solutions specifically designed for all Oil & Gas assets.
