

Whether you need a small cabin solar system, an off grid solar system for home, or even an off grid solar setup large enough to power a private island, we have the skill and expertise.

Systems offered range from solar lighting, solar deep-well pumping, pool recycling to autonomous solar electrification. Our expert team will guide you to build a system according to your needs and provide ...

We offer solar solutions for every need. Our off-grid systems provide reliable power in remote areas, while net metering lets grid-connected users earn credits for excess energy. With net billing, surplus ...

Many Cyprus properties with existing solar installations can benefit significantly from adding storage systems. Our retrofit storage solutions are designed to integrate seamlessly with existing solar ...

Get 1MW On Off Grid Solar Power Plant with an affordable price comes with lithium battery storage, PCS, Solar Panels, BMS, Fire suppression system and HVAC.

Off-grid solar LiFePO4 battery storage and hybrid inverters for Cyprus, Paphos, Larnaca, Limassol, Nicosia.

It provides reliable, independent power generation with advanced battery storage and inverter technology, ensuring stable electricity supply without reliance on the grid.

Go 100% off the grid with off-grid solar systems in Cyprus! Get reliable, battery-powered energy for remote areas without relying on utility companies.

The MEGATRON 1MW Battery Energy Storage System (AC Coupled) is an essential component and a critical supporting technology for smart grid and renewable energy (wind and solar).
