

European Data Center Battery Cabinet 42U Turnkey Project

Providing 3.5kW of dedicated, scalable cooling capacity in a space-saving design, the VS3350 provides a full 42U of rack space for critical IT equipment while offering IP54 protection.

The CR42U11001 server cabinet ships fully assembled for quick deployment and can be customized with compatible accessories to meet specific requirements. It is covered by a 5-year limited warranty.

As we have seen in previous pages, cooling and power management is very important in Data Center projects. But you need to build a good house for your active and passive equipments.
