

Our units are manufactured to the highest standard with harsh Australian conditions in mind. The microprocessor controlled inverter produces a high precision, pure sine wave power output.

Following the discontinuation of the 3KVA Honda EU30 Handy, a ...

We source the best brands of high-quality inverter generators for you - including Saber, Dewalt, Yamaha, SP Tools, and many more.

Ideal for caravanning and camping, or out on the job site, they are able to provide clean, reliable electricity in the most extreme locations. We've built them out of light materials such as magnesium, ...

Following the discontinuation of the 3KVA Honda EU30 Handy, a new 3.2KVA Honda EU32i generator has been confirmed for release in Australia. The generator weighs in at just 26.5kg, ...

Authorized service agents are available Australia-wide, including Perth, Melbourne, Brisbane, Adelaide, and Sydney. Choose the Honda EU32IU 3.2KVA Inverter Generator for unparalleled performance, ...

Power sensitive equipment while on the road with this Honda inverter generator. The Honda Inverter Generator 3.2kw is the perfect power source for your "home away from home" while you are on the ...

Our inverter generators outperform the rest with better fuel efficiency, ultra-quiet runtime, and solid reliability, all at affordable prices. Now, we're powering even more adventures with Gentrax lithium ...

Our units are manufactured to the highest standard with harsh Australian ...

Durable Construction: Built with high-quality materials and subjected to rigorous testing, the P3200 is designed for durability and long-lasting performance. This generator can withstand tough conditions ...

Featuring Honda's original sine wave inverter technology, the EU32i provides a stable supply of high-quality electrical output with a smooth waveform.

The PK18.15 Off-grid system, contains a 3KVA Inverter arger, 6KWh+ Lithium Battery, 3.2KW Solar Panels. For a small sized residence, using about 4-10KWh/day:
