

Jamaican Smart Photovoltaic Outdoor Cabinet for Airports with Extra-Large Capacity

Combines high-voltage lithium battery packs, BMS, fire protection, power distribution, and cooling into a single, modular outdoor cabinet. Uses LiFePO4 batteries with high thermal stability, extensive cycle ...

GreenSun is a trusted distributor of photovoltaic equipment, offering renewable energy solutions across the Caribbean region, and now also in Jamaica.

Designed for harsh environments and seamless integration, this IP54-rated solution features a 105KW bi-directional PCS, optional air- or liquid-cooled thermal management, and parallel operation ...

Designed for outdoor use, the battery cabinets feature IP54-rated enclosures that resist dust and water splashes. This guarantees uninterrupted performance even in coastal or tropical ...

We specialize in all-in-one and modular solar power systems, including stackable lithium battery cabinets, wall-mounted ESS, and hybrid solar inverters.

The Highjoule 100KWh Outdoor Cabinet Series (HJ-G20-100F/HJ-G50-100F; HJB-G20-100F/HJB-G50-100F), equipped with LFP/SSB 3.2V/280Ah batteries, offers 98.4% efficiency and >8000 charge ...

We design and install photovoltaic (PV) systems, battery storage, and inverters to help reduce electricity bills, improve energy independence, and increase property value.

EcoDirect designs and supplies solar + battery projects in Jamaica. Our team has the tools and experience to get your next project designed and delivered.

IEC is joint venturing with Wigton Windfarm Limited as part of both companies' continued thrust to transform the renewable energy landscape in Jamaica and the region. This project, valued ...

Rooftop PV, battery backup and hybrid systems to reduce energy cost and maintain uptime--LionErica serving Jamaica.
