

Lithium Battery and Energy Storage Technology Expo

Held from August 8th to 10th in Guangzhou, WBE 2024 spanned 100,000 sq.m, and featured 1,205 exhibiting companies from 14 countries (Including 476 cells, packs & energy storage ...

This premier event, backed by national authorities, focuses on advancing lithium battery technology and its applications in the electric vehicle and energy storage sectors.

CBTC Shanghai International Energy Storage and Lithium Battery Technology Expo will be held from June 3 to 5, 2026 at Shanghai New International Expo Center, featuring the full spectrum of energy ...

Co-organized by top renewable energy associations, the event showcases cutting-edge innovations in lithium-ion, flow, and solid-state batteries, fuel cells, hydrogen systems, and energy management ...

In order to better promote the development of the lithium battery industry, with strong support from national regulatory authorities, the 2025 Shanghai International Lithium Battery Technology and ...

The 2025 Shanghai International Energy Storage and Lithium Battery Technology and Equipment Exhibition will be held at the National Convention and Exhibition Center (Shanghai Hongqiao) from ...

Committed to promoting global market trade and battery industrial chain, WBE has developed into a professional exhibition with the largest number of exhibitors in battery enterprises and the highest ...

Organized under the backdrop of national dual-carbon goals and rapidly evolving market demands, the exhibition will feature over 1,000 leading brands across 60,000 square meters.

The 18th China International Battery Fair (CIBF2026), organized by the China Industrial Association of Power Sources and undertaken by CETC Tianjin New Energy Research Institute Co., Ltd., is ...

Discover the cutting-edge suppliers exhibiting in Detroit and explore their innovative products spanning all sectors of the advanced battery and EV technology industry.
