Looking to install solar panels in San Diego but not sure where to start? At A1 SolarStore, we make the process easier with our convenient solar panel calculator.

The Amount of Electricity Your Home UsesThe Type of Solar Panels You BuyThe Quality of Your Solar InstallationFederal, State, and Local Solar IncentivesHomes that use more electricity will need more solar panels to cover their energy needs. Although solar panels do get cheaper on a per-watt basis, the overall cost of the system will increase as more panels are added. However, the higher a home's energy usage, the more solar panels can save homeowners energy bills.
