

There are several national think tanks and groups, many that receive fossil fuel funding, that have been putting out arguments, often false, opposing wind and solar power for years.

California's rooftop solar policy is under renewed scrutiny. In August 2025, the California Supreme Court ordered a lower court to re-examine the state's controversial "NEM 3.0" rules, which ...

This report describes the provisions of "solar rights" laws in Arizona, California, Florida, Massachusetts, and New York that generally prohibit condominiums, common interest communities, and ...

Picture this: You've just installed shiny new solar panels on your roof, only to receive a grumpy letter from your homeowners' association demanding removal. Is solar power generation system illegal? ...

The California Assembly this week passed a bill seeking to change existing contracts for solar customers in a way that would reduce the number of customers receiving old, higher rates for ...

Critics who hate the state's new rooftop solar rules -- which slash the amount that future rooftop solar owners will get for exporting power to the grid -- are demanding a rehearing before...

For decades, California courts gave the policy decisions of state utility regulators unparalleled deference. But those choices now face strict judicial ...

In July, Connecticut Attorney General William Tong sued SunRun, and two smaller companies it worked with, alleging deceptive, unfair and illegal sales of solar power systems.

Paradoxically, the states most likely to do this are some that would greatly benefit from solar power, like Oklahoma, Kansas, and Nebraska. This article will list all the states with the largest ...

For decades, California courts gave the policy decisions of state utility regulators unparalleled deference. But those choices now face strict judicial oversight, thanks to a ruling in a ...

In a Reddit post, a homeowner explained that the utility company in their town has banned new solar PV installations, claiming the grid is maxed out. Even if a homeowner intended to use a ...
