

Where is the centre thermal & Yverdon les Bains?

Suggest edits to improve what we show. The Centre Thermal is a few minutes drive from the main highway after taking the Yverdon Les Bains exit, and well indicated on the road. The main entrance is actually behind the Hotel if you do not reside there, and offer free parking.

Where to stay in Yverdon-les-Bains?

In Yverdon-les-Bains, in the heart of a sumptuous wooded park, the Grand Hôtel & Centre Thermal offers 116 spacious and elegant rooms, 15 fully-equipped seminar and banqueting rooms, two restaurants with distinct identities, a bar-lounge as well as, for lovers of well-being, four thermal pools, relaxation, beauty, health and fitness areas.

What is the Yverdon-les-Bains thermal spa?

The Yverdon-les-Bains thermal spa is built around a sulphurous spring bursting from the earth at a temperature of 29 degrees. This water is reputed for its excellent beneficial effects on the joints, respiratory tracts and digestive system and also the muscles.

What is going on at Yverdon thermal centre?

Thanks to an investment of around CHF 40 million, the BOAS Swiss Hotels Group is going to give the Yverdon Thermal Centre a new lease of life. The renovations will focus on three main areas: a complete overhaul of the spa facilities, a major refurbishment of the Grand Hotel and the construction of a new communal area linking the buildings.
